- ◆ make sure that the Library is open for you to use throughout and beyond the school day
- ◆ help you to find the information, books or other resources you need
- ◆ make sure that we provide a range of books on different topics and by different authors
- ◆ provide you with areas for reading and for study
- ◆ make sure that the computers are working
- ◆ hold special events, competitions and displays throughout the year
- ◆ listen to your opinions and take account of your suggestions

We ask that you do your best to:

- ◆ ask for help if you need it
- ◆ use the Library sensibly and responsibly

- ◆ put your bags and coats on the shelves provided when you come into the Library. Space is unfortunately not available for bags in the Library.

- ◆ have all books and other items stamped at the desk before you leave.
- ◆ return all books and other items on time to the desk so that others can enjoy them; remember to have them renewed for longer if you haven't quite finished them.
- ◆ help us by giving us your comments and suggestions

We hope you enjoy using the Library!
